## BESPOKE PARAMOUNT MARBLE

If you do not see a design in our brochure that suits your needs, you can take advantage of our bespoke design service. Just give us an idea of the style you are looking to achieve & the material you would like your design to be made in as well as an indication of overall sizes.

We will provide you with a drawing of your idea with all of the relevant sizes. At this stage, you can tweak any of the features of the design to get your desired look of the finished surround. Please speak to your local Paramount Marble retailer for material availability & advice.

## FINISHES & HEARTH OPTIONS

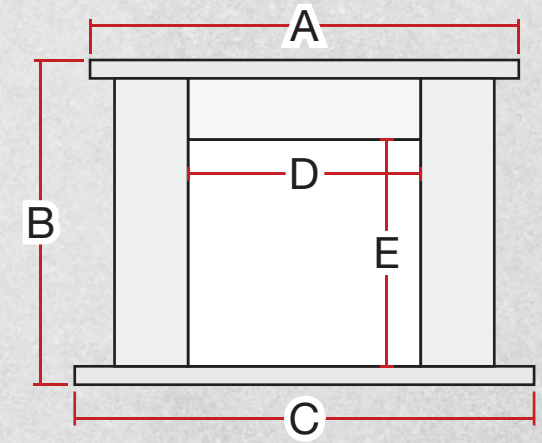

At Paramount Marble we pride ourselves in our work & your satisfaction is of the upmost importance to us. We are able to adjust the sizes of most of our surrounds to suit your needs so please ask if you need any alterations.

All of our designs can be manufactured to bespoke sizes, please see your local stocklist. Our surrounds can be manufactured with a standard rebate of 25mm or 75mm. Other rebates are available on request.

Please note that marble & stone are natural materials, therefore variations in colour & markings exist. However, please be assured that we use only the best quality materials.
